

2021

Residential Rebate Program

About the Program

Your electric cooperative is offering a 2021 residential rebate for qualifying equipment (water heaters, geothermal heat pumps and air source, ductless mini split or dual fuel heat pumps). To qualify, a resident must occupy the home where equipment is installed year-round (12 months) and unit must heat and cool whole home unless otherwise stated.

Please provide the following documents to your electric cooperative to apply for possible rebates*:

- AHRI (Air conditioning, Heating and Refrigeration Institute) certificate for validation for all SEER ratings. (This can be obtained from the installing heating and cooling dealer.)
- 2021 Residential Rebate Application
- Proof of purchase (invoice or receipt)

Must apply by December 15, 2021

PO Box 208
Orleans, IN. 47452
812-865-2229

* Your electric cooperative reserves the right to approve, deny or select the appropriate incentive. Prior approval is required for electric resistance incentives.
